

Winners of the Postdoctoral Distinguished Mentor Award

Year	Name	Org	Nominated For
2010	Quanxi Jia	MPA-CINT	Providing scientific guidance as well as the knowledge and skills to handle situations that cannot be learned by working in a laboratory.
	Tom Intrator	P-24	Deeply passionate about preparing his postdocs for productive and rewarding careers as scientists and an unwavering commitment to his postdocs, encouraging their independence, while being available for consultation and feedback.
	James Werner	MPA-CINT	Provides excellent support and leadership to his postdocs and is genuinely concerned about providing a positive work environment. Makes it a priority to sit down with his postdocs and teach them things that they might not have experience in. Never hesitates to give a postdoc the recognition for their work. Actively involved in his postdoc's job search for their next appointment, and in providing guidance regarding their future career opportunities.
